STATUS REPORT ON REVISED COUNTY BADGE ORDINANCE

In our most recent status report dated August 20, 2007, your Board was informed that a revised County Badge Ordinance had been written and was being formally reviewed by County Counsel.

County Counsel has subsequently completed its formal review and analysis of the revised badge ordinance and it is now in my office for executive review. The executive review process will provide an opportunity for a number of Department Heads to discuss the new ordinance and its affects on their respective departments. The review is scheduled for November 29, 2007. The ordinance will be submitted to your Board for approval in December or early January.

Once the ordinance is approved by your Board, my office will develop and coordinate County-wide policy and procedure which will establish increased accountability and greater safeguards for all departmentally-issued County badges and other articles of identification.

If you have any questions regarding this issue, please contact my office or Lieutenant Steve Miller of the Office of Security Management at (213) 893-2069.
